MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Inspector General's Survey of the CIA Training
Program, 24 September 1960

REFERENCE : Memo for DD/S, DD/P, DD/I, IG, dtd 25 Mar 61, fr
DDCI, same subj

1. This memorandum is for information only.
2. Referenced memorandum requested a progress report on efforts to implement the approved recommendations. Attached is my response to this request.
3. It should be noted here that there are some actions which the Inspector General recommended and which you formally approved which we are now proposing to put before the recently established Career Development Board. Most of these actions fall into the general areas of advisory functions to the Director of Training (regarding curriculum, JOT Program, etc.) and of considerations in planning courses for mid-career and senior officers. Though the implementations may ultimately be modified slightly, the basic intent of the recommendations will be adhered to.
4. Four other recommendations are in process of being implemented, and all of the rest for which I had action responsibilities can be considered to have been accomplished.
